RE: Intent to bring in Vala Hamidi, M.D., Postdoctoral Research Fellow

This letter is to inform you of our intent to bring in Dr. Vala Hamidi as a postdoctoral research fellow in the Division of Diabetes, Department of Medicine. Dr. Hamidi will be conducting basic research in the diabetes division through a grant sponsored by the NIH NIDDK. Dr. Hamidi is a **Resident Alien of the USA**. She will receive an annual salary in the amount of \$46,092. Dr. Hamidi's anticipated start date is July 1, 2014.

She will be working under the supervision of Dr. Ralph A. DeFronzo, on his NIH grant "Regulation of Hepatic and Peripheral Glucose Metabolism".
